1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of the company that is the subject of this pending proceeding.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

I am opposed to the rate hike proposed for water and waste water usage in Tega Cay, SC. The proposal would increase residential water rates by 18.54 percent and residential wastewater by 66.9 percent, for a combined 43.98 percent jump. This is an unfair gouging of the public by a company providing sub par service at best. I demand the matter be rejected without further delay by the governing bodies elected to protect the citizens of this community.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*

I will be represented by members of my community at the proceeding who are equally outraged.
